

# Sample Software Indemnity Clauses

Two examples of indemnity clauses

## **1. Simple Example:**

Indemnitor will hold harmless, defend, and indemnify Indemnitee against any and all third-party claims or liabilities addressed within the scope of this Agreement.

## **2. More Complex Example:**

Indemnitor agrees to indemnify, defend, and hold harmless Indemnitee and each of its respective officers, directors, partners, employees, agents, successors, and assigns, or any of them from all claims, suits, legal actions, assessments, deficiencies, and charges brought against the Indemnitee, and for any costs, fees, liabilities, damages, losses, expenses, and associated attorney fees arising from or incidental to the aforementioned.

**\*NOTE:** These samples are for general reference examples only and do not constitute legal advice. The appropriate indemnity clauses to be used in an agreement will vary based on the specific circumstances. The download of these samples do not establish an attorney-client relationship.\*
